Assistant Director for Operations

6 February 1956

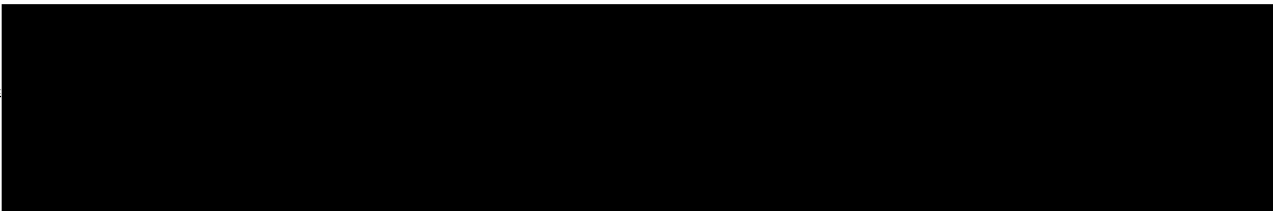

Chief, Foreign Documents Division

Reclassification and Reorganization of Publications
Unit, Reports Branch, Foreign Documents Division

1. The attached reclassification proposal ^{*} will relieve FDD of many problems of finished production which have existed for some time. It is in keeping with the Inspector General's recommendation

25X1A

2. The cost of the adjustment is as follows:

3. The following factors will offset the added cost:

a. For FY 56, this reclassification would be in force for only a fraction of a year and promotions would be made only in those cases where the incumbents would qualify. This slight added cost would be absorbed through the reduced use of overtime.

b. For FY 57, offsetting funds now in the budget could be used from the GS-14 Propaganda Analyses position in our FY 57 budget, not now on our T/O, amounting to

c. Unvouchered .07 funds in our FY 57 budget for salary of [redacted] (no longer employed)

d. Reduction of overtime in FY 57 budget of

25X1A
